

Z2d
MANAGEMENT
SOLUTIONS

Z2a Management Solutions Pvt Ltd is a Techno-Commercial organization, which originated in Chennai (India) in July 2010, to provide high quality management services to companies and financial institutions. There was a growing need for a service provider who could offer "Quality" and a variety of corporate services as "One - Stop" solution. Corporate Designs Data Management, Documents Digitizing (Scanning), HR Consulting, Audit & Advisory Services were identified as immediate opportunities and the necessary investments were made in infrastructure, equipments & other facilities, "And thus born Z2a"

Who We Are

The Company has adopted Quality and Reliability as the most indispensable keywords for all its operations which continue to be our guiding principles. We work with major IT, ITES and Non IT companies in providing them a complete solution on their requirements. We assure you in providing the entire spectrum of services and work as consultant not as seller with 360 – degree futuristic solutions.
